BID STIPULATIONS:

- Every effort will be made to complete and ship all orders in 1-30 days. Specialty signs may take longer. We have a staunch reputation for the quickest and best service in the industry.
- Traffic Signs, inc. uses 3105-H18 anodized aluminum. It is .080 inches thick. It meets all MUTCD standards. This is the type of aluminum that is predominantly used for traffic signs in the United States.
- If your bid is done based on a “per square foot” basis. Traffic Signs, inc. computes the square footage by multiplying the maximum width times the maximum height of a sign.
- “Per a square foot” bid prices can only be applied to signs that are 3 (three) square feet or more, unless specified otherwise.
- Traffic Signs, inc. reserves the right for our bids to be “all or nothing”.
- Prices given on bids are for standard signs only which are listed in the MUTCD manual at the time of the bid opening.
- Unless specified, bid pricing is for engineer grade sheeting only.
- Unless specified, bid pricing is for one-color signs only. We typically do not count the background as a color. Two color signs, such as a R5-2 “No Truck Symbol”, cost extra. A W3-1a “Stop Ahead Symbol” is considered a three color sign (white, red and black) and costs even more. Because (blue and yellow) County Route Markers, arrows, Jct., North, South, East, West, etc. are printed twice and have white sheeting underneath, they cost extra.
- For signs such as (but not limited to) County Route Markers and Weight Limits, the price does not include numbers unless specified on the bid. This does not apply to R2-1 Speed Limits, W13-1 Speed Advisories and standard Construction signs with 500, 1000 or 1500 feet.
- We look forward to having you as a customer and delivering great products with great service.

Sincerely,

James Watson, President

2 ENROLLED, House Joint Resolution,

3 NAMING THE BRIDGE OVER HURRICANE CREEK ON HIGHWAY
4 216 IN TUSCALOOSA COUNTY, ALABAMA, THE HORACE AND THELMA
5 SELLERS BRIDGE.

6
7 WHEREAS, it is with highest commendation that in
8 Tuscaloosa County, Alabama, we recommend naming the Bridge
9 over Hurricane Creek the Horace and Thelma Sellers Bridge; and

10 WHEREAS, James Horace Sellers was born May 11, 1918,
11 in rural Tuscaloosa County; his wife, Thelma Cordella Clements
12 Sellers was born on October 16, 1921; Horace and Thelma were
13 married on September 2, 1940; they had three children, Billy
14 Ray Sellers (Barbara Clark Sellers), Linda Sellers Dill
15 (Freddie Eugene Dill), and Walter Lee Sellers (Lucy Rosenfeld
16 Sellers); and

17 WHEREAS, after marrying Thelma, Mr. and Mrs. Sellers
18 began living their lives in Peterson; he began Sellers
19 Trucking Company in 1945, originally a logging company; in
20 1963, Billy, his oldest son, began working with him; Sellers
21 Trucking Company employed anywhere from 15 to 40 persons
22 during its 58 years in business; their youngest son, Lee,
23 joined the company in 1979 and with his father, began
24 Fleetwood Trucking Company, an-over-the-road division of
25 Sellers Trucking; it employed an additional 60 employees; it

1 still operates in Fleetwood, Alabama; Horace and his sons
2 often rehired workers who had left or quit without a reason;
3 they always knew what a risk this was but were determined to
4 give employees a second and even third chance to make things
5 right; and

6 WHEREAS, Horace Sellers became a deacon at Ruhama
7 Baptist Church, the same church where his father so often
8 preached; he remained a deacon until his health kept him from
9 serving the community he loved so well; his son, Billy also
10 served as deacon for 25 years; Horace was able to use his
11 compassion as well as his business sense to aid the church in
12 assisting multitudes of people over the years; people who came
13 to him for assistance were never turned down, even if they had
14 borrowed from him before; and

15 WHEREAS, Horace Sellers was well known for his fear
16 of tornadoes, but even this was an opportunity for him to aid
17 the community; he installed a storm shelter with a tunnel from
18 his house all the way underneath his yard and out to the
19 highway; this gave easy access to anyone who lived nearby,
20 especially the trailer park inhabitants who lived across the
21 road; these shelters provided much needed protection during
22 the horrible April 27, 2011, tornado for untold numbers; and

23 WHEREAS, Horace Sellers was a businessman, a deacon,
24 a father, a grandfather, and a friend; he helped untold
25 numbers of people and taught his children and grandchildren

1 what true charity, compassion, and love really is; now
2 therefore,

3 BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH
4 HOUSES THEREOF CONCURRING, That we do hereby name the bridge
5 over Hurricane Creek on Highway 216 in Tuscaloosa County,
6 Alabama, the Horace and Thelma Sellers Bridge and request the
7 appropriate officials to place and maintain signs or markers
8 as provided in this resolution.

9 BE IT FURTHER RESOLVED, That a copy of this
10 resolution be provided to Horace Sellers so that this

RE: Rice Family Cemetery

Dear Mr. McCollum,

I conducted an evaluation of the proposed Family Cemetery site for Deborah K. Rice with BJ Diltz and reviewed the submitted information. There were signs of a water table at 62 inches. No burials should be any deeper than 50 inches. The cemetery meets all of the requirements of the Tuscaloosa County Health Department. The application has been approved. If you have any questions, please feel free to call me at 205-554-4540.
