**Re: Request for Extension of Contract**

**Attn: Tuscaloosa County Engineers Office**  
**Bobby Hagler**

J & R Farms would like to request an extension on our contract of HydroSeeding and Mulching with Tuscaloosa County for additional 2 years. That would cover the periods of October 1, 2014 through September 30, 2015 and October 1, 2015 through September 30, 2016. We will continue to honor the current prices charged per acre. Hydroseeding at \$1,100 per acre and Mulching at \$500 per acre.

Thank You

**Jack Hollingsworth**

Re: Tuscaloosa County Department of Public Works – Bid for Traffic Striping

To Whom It May Concern:

Please accept this written request for your consideration on our offer attached to the Bid we were awarded for the October 1, 2013 - September 30, 2014 Traffic Striping Project. If both parties agree this would extend the contract with the same pricing through September 30, 2015.

We appreciate your consideration and look forward to future opportunities.

Respectfully,

A handwritten signature in black ink, appearing to read 'Wesley Burkhalter', with a long horizontal flourish extending to the right.

August 25, 2014

THE UNIVERSITY OF  
**ALABAMA**  
MUSEUMS

The Tuscaloosa County Commission  
714 Greensboro Avenue  
Tuscaloosa, Alabama 35401

Dear Commission Members,

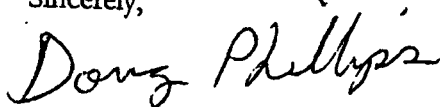

This year marks Discovering Alabama's 30<sup>th</sup> year as the Emmy-winning "flagship" television series about the wonders of our state. And this year we want to donate programs from our series to local schools and community groups as part of a special educational initiative for water conservation.

As you know, the Tuscaloosa region is blessed with water resources that are critical to our economy. These resources also represent an excellent educational topic relating to many K-12 standards and requirements across several subject areas. We are fortunate to have such water abundance but, of course, the future of these resources is dependent upon wise water management and conservation.

This year Discovering Alabama is partnering with Tuscaloosa County Public Works in providing water education/conservation education programs, activities, and materials to schools and other stakeholder groups. I appreciate your long support and leadership for wise water management and I'm writing to ask for your endorsement and leadership with our educational initiative. This will likely involve such things as your endorsement on brochures, comments for press releases, etc. Please let me or Bob Cunningham (Project Engineer with Tuscaloosa County Public Works) know of your interest in being a partner to our water conservation initiative.

Thank you very much.

Sincerely,

Dr. Doug Phillips

To: Adjacent Property Owner:

Dear Sir or Madam:

RE: **BDKK Properties, District 3**

This letter is to inform you about a possible development in your area consisting of 1 lot on approximately 3.5 acres at the following location:

Sleepy Hollow Road  
 approximately 0.55 miles east from the intersection of  
 Slayton Road

The preliminary plat for this subdivision will be presented to the Tuscaloosa County Commission for approval on **August 20, 2014 at 9:00 A.M.**, at the Tuscaloosa County Courthouse located at:

**714 Greensboro Avenue  
 Tuscaloosa, Alabama, 35401**

The preliminary application is available for your inspection Monday through Friday between the hours of 7:00 AM until 4:00 PM at the Tuscaloosa County Public Works Department located at:

2810 35<sup>th</sup> Street  
 Tuscaloosa, Alabama 35401

Please forward any comments to the Tuscaloosa County Public Works Department at least forty-eight hours in advance. In the event the Commission meeting is canceled, the subdivision plat will be presented to the commission at the next scheduled meeting.

If you have any further questions, please contact Katherine Cross at 205-345-6600 or [kcross@tuscco.com](mailto:kcross@tuscco.com).

Sincerely,

*Bobby C. Hagler*

Tuscaloosa, Alabama 35405

RE: Resurvey of Lots 416 and 417 Furnace Creek, Sector 4 – Waiver Request  
McCalla, Alabama

Dear Ms. Cross:

We are writing on behalf of the Applicant, Mr. Phil Turkett, to request a waiver of required minimum side and rear setback lines.

Applicant is proposing joining two adjacent lots in Furnace Creek into one contiguous lot. Furnace Creek Sector 4 is established with 35 foot front setbacks, and no required side or rear setbacks. Current Tuscaloosa County subdivision regulations require 10 foot minimum side setbacks and 35 foot rear setbacks.

We request that the newly created lot maintain the same standards as are in existence now for the subject property, which would conform to the same standards as the adjoining lots in the subdivision. We are proposing the same 35 foot minimum front setbacks that are currently established, although current regulations only require a minimum of 30 feet. Allowing this waiver would maintain the standards of the subdivision while not impeding the character of the subdivision, and allows flexibility to the applicant in developing a home site on the severe grades of the current lots.

If you have any questions or need any additional information regarding the above, please let us know.

Sincerely,  
WALKER ASSOCIATES, INC.

**RESOLUTION ACCEPTING STREETS IN  
ENGLEWOOD VILLAGE PHASE IV  
AND  
MAXWELL MANOR SECTION 2  
SUBDIVISION**

WHEREAS, the County Engineer has reported to the Tuscaloosa County Commission that the County Engineering Department has inspected and found that the streets, together with the drainage structures in the streets in Englewood Village Phase IV and Maxwell Manor Section 2 are completed in accordance with the Subdivision Regulations of the Tuscaloosa County Commission, and that all of said construction has been done in accordance with the County specifications.

NOW, THEREFORE, BE IT RESOLVED BY THE TUSCALOOSA COUNTY COMMISSION:

1. That the County accepts the streets, together with the drainage structures in, and which are a part of, said streets which are located in dedicated street rights-of-way, for maintenance by the Tuscaloosa County Commission. The drainage structures described herein are those structures which are part of or are located in the streets (curb and gutter, catch basins, flumes and pipes) and do not include any natural waterway which drains surface water in the area.
2. This resolution shall be effective on the date of the adoption thereof.

Adopted this the 3th day of September, 2014, by the TUSCALOOSA COUNTY COMMISSION.

**RESOLUTION OF THE TUSCALOOSA COUNTY COMMISSION  
SUPPORTING AN AMICUS CURIAE BRIEF OF THE ASSOCIATION OF  
COUNTY COMMISSIONS OF ALABAMA**

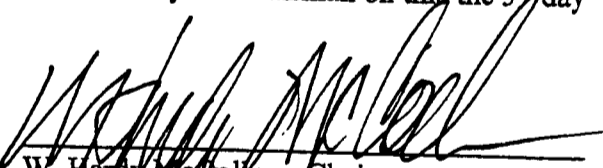

**WHEREAS**, the State of Alabama Department of Revenue is engaged in litigation over the assessment of sales and use on fuels use in the transportation industry; and

**WHEREAS**, the outcome of the litigation directly affects the sales and use tax collected by the Tuscaloosa County Special Tax Board, a portion of which is distributed to the Tuscaloosa County General Fund to support the governmental operations of the county.

**NOW, THEREFORE, BE IT RESOLVED** by the Tuscaloosa County Commission, as follows:

The Tuscaloosa County Commission supports the filing by the Association of County Commissions of Alabama of an Amicus Curiae brief in support of the position of the State of Alabama Department of Revenue in the case of Alabama Department of Revenue vs. CSX Transportation, Inc., now pending before the Supreme Court of the United States.

**IN WITNESS WHEREOF**, the Tuscaloosa County Commission has caused this Resolution to be executed in its name and on its behalf by its Chairman on this the 3<sup>rd</sup> day of September, 2014.

**RESOLUTION AUTHORIZING CONDEMNATION**

WHEREAS, the County is presently engaged in efforts to design, construct, improve, operate and maintain a sewer pipeline system that will cross certain tracts of real property located in Tuscaloosa County, Alabama owned by the property owners listed in Exhibit "A" which is incorporated herein by reference (hereinafter referred to as the "Owners");

WHEREAS, as part of its sewer project, it is necessary and expedient for the County to acquire a right-of-way over, across, under and through certain tracts of land for the purposes of constructing, laying, installing, maintaining, operating, improving, inspecting, altering, renewing, repairing, removing, changing the size and/or relocating and replacing utility lines or pipes of such size and character as the County may elect, together with all connections and other appurtenances necessary or convenient to the County in the construction, operation, inspection, maintenance or use of said improvements in the locations described and depicted on the attached Exhibit "B" which is hereby incorporated herein by reference (hereinafter referred to as the "Rights-of-Way");

WHEREAS, in the judgment of the County, it is necessary and expedient for carrying out the full powers granted to the County that such Rights-of-Way be acquired;

EX 9-10

WHEREAS, the County has been unable to reach an agreement with the Owners for the voluntary conveyance of the Rights-of-Way;

WHEREAS, the County desires and hereby proposes the condemnation of the Rights-of-Way pursuant to Code of Alabama, Sections 11-80-1, 18-1A-1, *et seq.*, and 18-1B-1, *et seq.*;

WHEREAS, the Rights-of-Way do not lie within the corporate limits of any municipality in Tuscaloosa County, but within the jurisdiction of Tuscaloosa County, Alabama;

WHEREAS, it appears to the Tuscaloosa County Commission, that the condemnation of said Rights-of-Way will not adversely affect the interest of the public in any way; and

WHEREAS, the County desires to authorize the County's attorney to acquire said Rights-of-Way by condemnation.

NOW, THEREFORE, be it resolved by the Tuscaloosa County Commission, Alabama, as follows:

1. That it is in the interest of the public that the County acquires by condemnation the Rights-of-Way over, across, under and through the property, as depicted on and described in Exhibit "B" hereto.
2. That the assent of the Tuscaloosa County Commission is hereby given to the condemnation of the Rights-of-Way over, across, under and through said property located in Tuscaloosa County, Alabama, as depicted on, and described in Exhibit "B" hereto.
3. That the County's attorney be, and is hereby authorized to acquire said Rights-of-Way by condemnation.
4. That the Judge of Probate of Tuscaloosa County, Alabama, be, and is hereby authorized to present a copy of this Resolution, duly certified as correct by County Clerk, to the

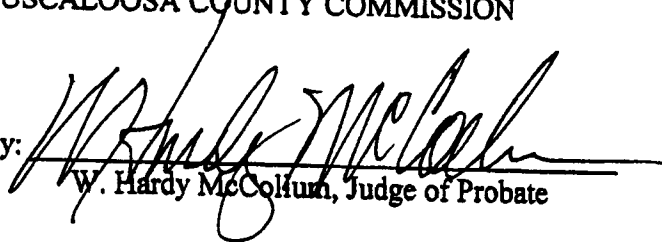

EX 9-10

County attorney in order that the same may be attached to the Petitions for Condemnation to be filed in the Probate Court of Tuscaloosa County.

**UTILITY AND ACCESS EASEMENT - TRACT 6**

A 30 foot Utility and Access Easement being 15 feet either side of a centerline located in the Southwest Quarter of the Northeast Quarter of Section 16, Township 21 South, Range 9 West in Tuscaloosa County, Alabama and being more particularly described as follows:

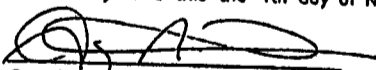

As a STARTING POINT, begin at the Southwest corner of Lot 1 of Paul E. Mayfield Subdivision, as recorded in Plat Book 7, Page 108 in the Probate Office of said Tuscaloosa County, Alabama; thence run in an Westerly direction and along a projection of the South boundary of said Lot 1 for a distance of 54.41 feet to a point; thence with a deflection angle of 93 degrees 31 minutes to the left, run in a Southerly direction for a distance of 15.03 feet to the POINT OF BEGINNING of the easement's centerline herein described; thence with a deflection angle of 86 degrees 29 minutes to the left, run in an Easterly direction and along said easement's centerline for a distance of 225.25 feet to the END of the easement's centerline herein described. Said easement containing 0.16 acres.

Also, a 20 foot wide temporary construction easement being 20 feet South of and adjacent to the South boundary of the above described easement. Said easement containing 0.10 acres.

**TO WHOM IT MAY CONCERN:**

I, Gary Neal Faulkner, a Licensed Professional Land Surveyor in the State of Alabama of the firm of McGiffert and Associates, LLC, Tuscaloosa, Alabama, hereby certify that the premises shown and described hereon is a true and correct plat of said property, and that all parts of this survey and drawing have been completed in accordance with the current requirements of the Standards of Practice for Surveying in the State of Alabama to the best of my knowledge, information, and belief.

Witness my hand this the 4th day of November, 2013.

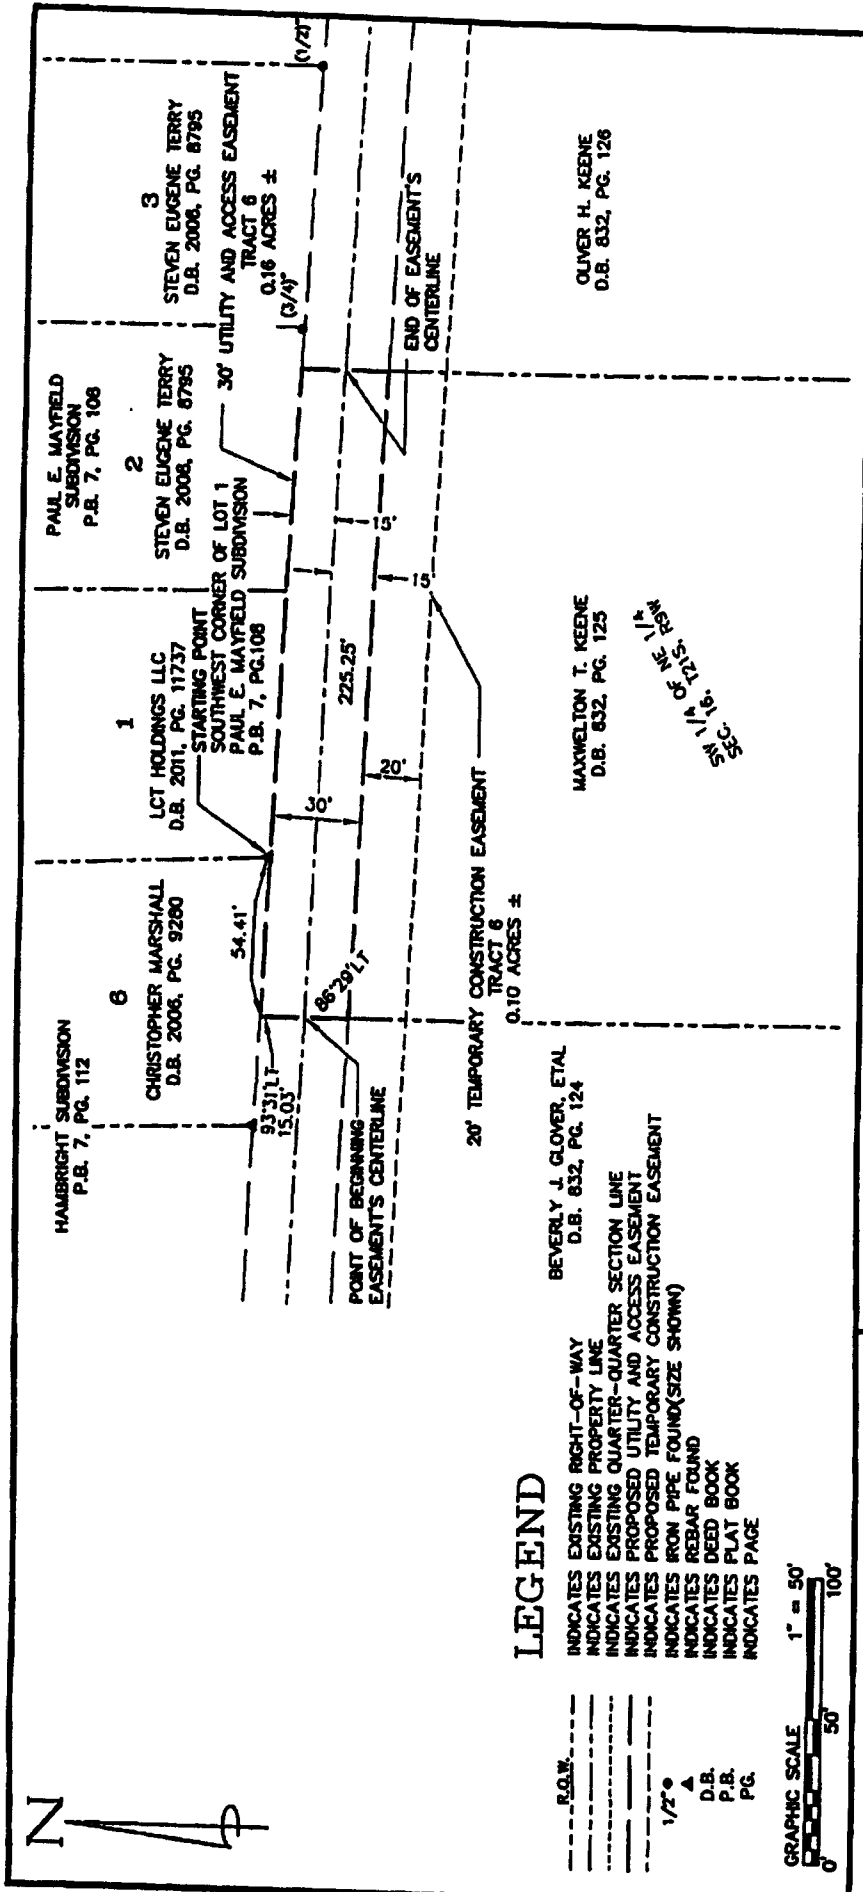

Gary Neal Faulkner  
Professional Land Surveyor  
Al. Lic. No. 18388

**LEGAL DESCRIPTION**

**UTILITY AND ACCESS EASEMENT - TRACT 15**

A 30 foot Utility and Access Easement being part of Lot 6 and Lot 7 of Elm Ridge Subdivision, as recorded in Plat Book 8, Page 194 in the Probate Office of Tuscaloosa County, Alabama, being 15 feet either side of a centerline located in the Southwest Quarter of the Northeast Quarter of Section 18, Township 21 South, Range 9 West in said Tuscaloosa County, Alabama and being more particularly described as follows:

As a STARTING POINT, begin at the Southwest corner of Lot 1 of said Elm Ridge Subdivision; thence run in an Easterly direction and along the South boundary of Lots 1 thru 5 of said subdivision for a distance of 489.98 feet to the Southwest corner of said Lot 6; thence with a deflection angle of 93 degrees 36 minutes to the left, run in a Northerly direction and along Western boundary of said Lot 6 for a distance of 15.03 feet to the POINT OF BEGINNING of the easement's centerline herein described; thence with a deflection angle of 93 degrees 36 minutes to the right, run in an Easterly direction and along said easement's centerline for a distance of 155.47 feet to the END of the easement's centerline herein described. Said easement containing 0.11 acres.

Also, a 20 foot wide temporary construction easement being 20 feet North of and adjacent to the North boundary of the above described easement. Said easement containing 0.07 acres.

Also, a 10 foot wide Permanent Access Easement being 10 feet East of and adjacent to the entire West boundary of said Lot 6 of Elm Ridge Subdivision. Said easement containing 0.04 acres.

**TO WHOM IT MAY CONCERN:**

I, Michael Todd Masterson, a Licensed Professional Land Surveyor in the State of Alabama of the firm of McGiffert and Associates, LLC, Tuscaloosa, Alabama, hereby certify that the premises shown and described hereon is a true and correct plot of said property, and that all parts of this survey and drawing have been completed in accordance with the current requirements of the Standards of Practice for Surveying in the State of Alabama to the best of my knowledge, information, and belief.

Witness my hand this the 5th day of November, 2013.  
Revised this the 21st day of April, 2014.

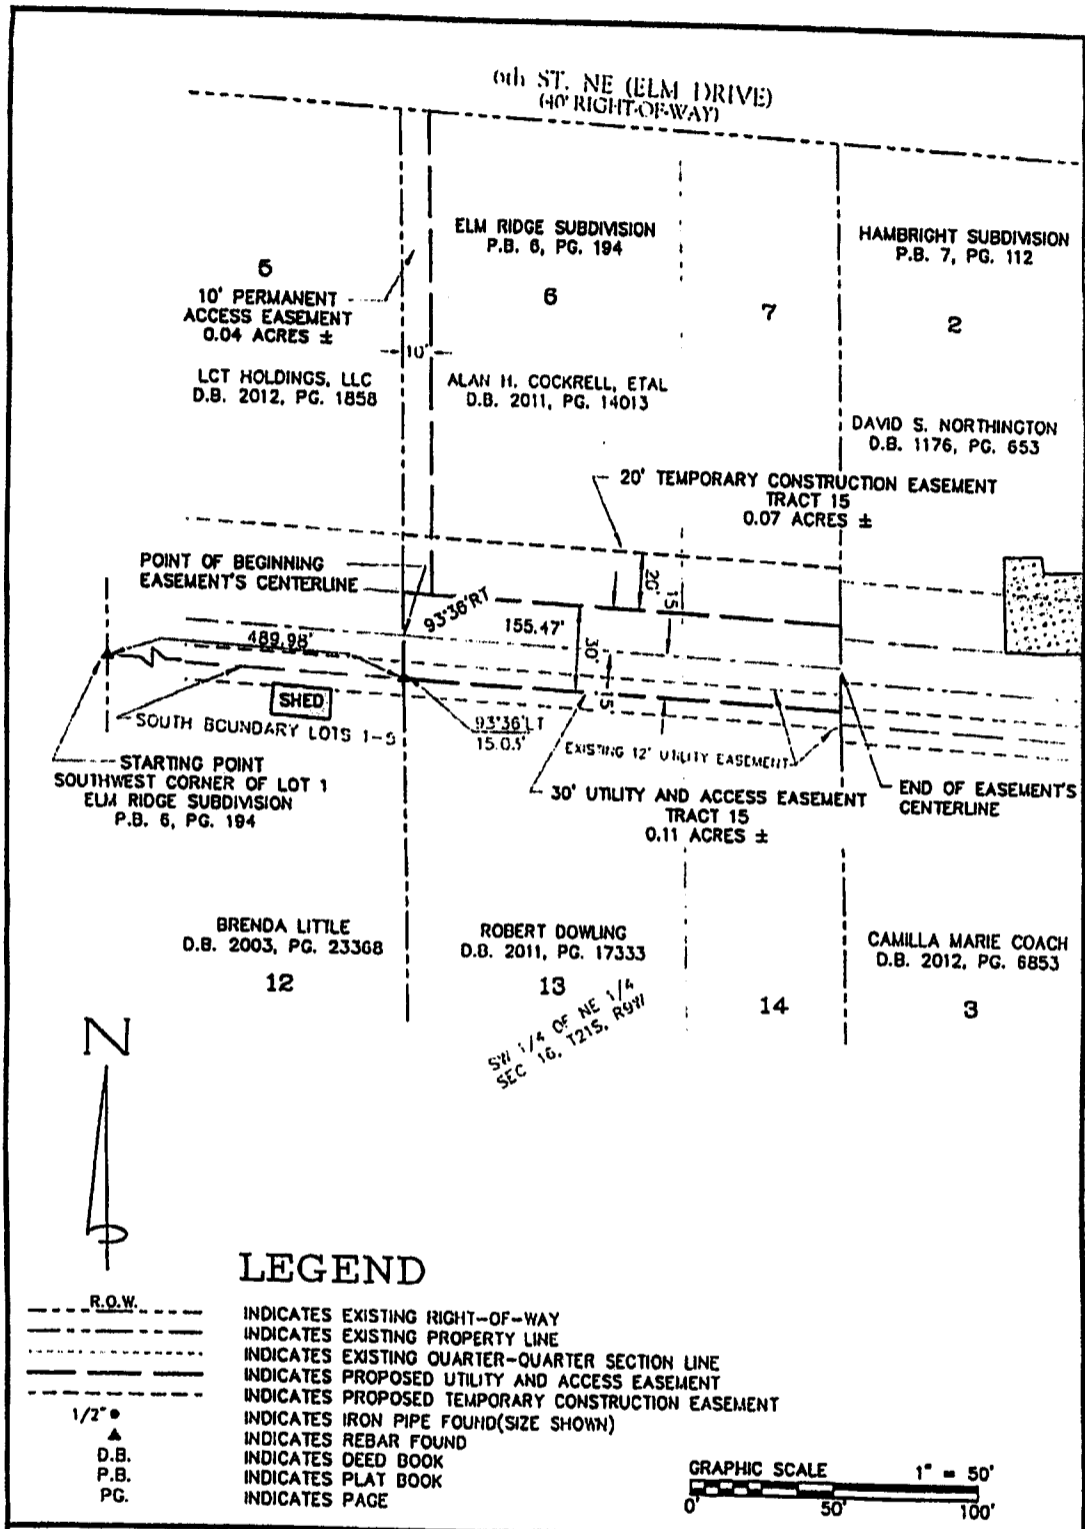

Michael Todd Masterson  
Professional Land Surveyor

QUOTE #58647

08/19/2014

TERMS AND CONDITIONS OF SALE Required for Complete Order: Purchase Order or signed quote, 50% down and 50% net 30 after delivery or installation with credit approval or 100% payment with order, complete billing & shipping address w/ contact names and phone numbers, and color selections. Contractors provide fully executed bid/performance/payments bonds as applicable. Pricing: f.o.b. factory, firm for 30 days from date of quotation. Acceptance of this Transaction: constitutes entire agreement between buyer and seller. Failure to pay when agreed is basis for legal action to be taken. Buyer agrees to pay all legal costs for collection and reasonable attorney fees, and hereby waives rights of exemption as to personal property under the laws of the state of Alabama or any other state. In connection with this transaction, a finance charge will be imposed on the past due balance at an annual percentage rate of 18%, or 1-1/2% per month. Delivery Schedule: Upon written notification of order (with or without installation services) delivery will be made in appx. 45-60 days. Customer has 10 days after ordering to make request to delay ship date if site will not be ready. All efforts will be made to accommodate requests, but no change is guaranteed. Freight carrier is instructed to call 24 hours in advance to arrange delivery. Returned Goods: Returned goods are subject for a restocking fee of 30% in addition to both the outbound and inbound freight charges. Goods must be packaged to protect against damage in transit in accordance with best commercial practices. Labor and material costs to make returned goods merchantable will be deducted from any credit. Returned goods will not be accepted without an authorization number (RGA) assigned by J.A. Dawson & Co., Inc. To be eligible for credit, returned good must be received at manufacturer within 45 days of issuance of a returned goods authorization number. Unloading: Unless unloading service is contracted, unloading of delivery truck is responsibility of customer. Forklift may be required. If unloading, customer is responsible for accepting and noting any damages or shortages on the freight bill and inspecting/inventorying equipment upon receipt. Customer must notify our office immediately of any discrepancies. Freight carrier is instructed to call your designated contact 24 hours in advance to arrange delivery. If job site is not prepared and ready for installation when equipment delivers, any pre-existing unloading agreement is voided and customer is responsible for truck unloading and equipment storage. Additionally Insured: Any entity or person named as additionally insured, add \$150.00 per each occurrence. TERMS AND CONDITIONS IF CONTRACTING INSTALLATION SERVICES Utilities: Customer is responsible for the location and marking of all underground utilities and sprinklers prior to installation. J.A. Dawson & Co., Inc. is not responsible for damages or repairs to any form of underground utility or sprinklers. Equipment Layout: To be as illustrated & accepted on submitted drawings. Any requested changes may result in additional charges. Site Conditions: Installation quotations are based on a prepared level surface (slope not to exceed 1/2" over 25'), and open truck access to the area. We require a 10' wide path into the site and unloaded equipment to be within 100'. Please notify estimator of site concerns to ensure proper quotation. If installation crew arrives and installation cannot be performed due to unprepared surface or inadequate access, an additional \$1,500.00 will be charged for return trip. Pier spoils from installation shall be spread at site. Site will be left rough grade. Upcharge of \$65.00 per hour per man plus necessary equipment rental will be added for installation in rock, concrete or existing asphalt. Removal of existing equipment, trees, etc. by others unless specifically contracted. Machinery Use: Installation requires the use of heavy machinery. All efforts are made to minimize damage to the site. It is recommended that all final landscaping, fencing, sidewalks, etc. be completed after installation of equipment and/or surfacing. J.A. Dawson & Co., Inc. is not responsible for damage to grass or other site features due to normal, necessary equipment use. Please notify estimator to discuss concerns prior to accepting quotation in case revisions are needed. Waste Disposal: Dumpster or approved dumping area must be provided for packaging and other waste during installation. J.A. Dawson & Co., Inc. is not responsible for removing waste from the property unless specifically contracted. Security: J.A. Dawson & Co., Inc. is pleased to supply & install your equipment in a timely, professional manner. Upon completion, the equipment is secured with tape to discourage play and allow concrete to dry for 72 hours. Premature play will cause equipment to become loose in the concrete footings. Customer is responsible for prohibiting access to equipment during this critical drying time. J.A. Dawson & Co., Inc. is not responsible for equipment that becomes loose in the concrete due to premature access or events beyond our control. If purchasing rubber safety surfacing, the 72 hour waiting period also applies. Premature access will leave imprints in rubber surfacing. Customer is responsible for security.

EP9-11

August 30, 2014

To Whom It May Concern:

We live on Elrod Road in Tuscaloosa County. Our road is used as a racetrack for people at all times of the day and night. We have people racing side by side and also speeding between 50 and 75 miles of hour. The posted speed limit on this road is 25 miles per hour. We have had this problem for several years and have asked that something be done repeatedly. At one time, there was a speed bump in the front of Pine Woods Horse farm and it was removed. We have children that catch the school bus in the mornings and get off the busses in the afternoon. We as concerned parents are asking that something be done to curb the fast traffic on Elrod Road. Your immediate action on this matter would be greatly appreciated.

Thank you.
