We are residents of Cottondale Alabama (35453). And we are requesting from the County Commissioner to have speed tables installed on Hurricane Rd. There is more traffic on Hurricane Rd than the Prude Mill Road where they were placed. And since the placement of those speed tables the traffic has increased on Hurricane Rd with drivers wanting to miss those installed on Prude Mill. The Drivers on this road exceed the speed limit and its just a matter of time before someone is hurt or killed.

Below are the signatures of the residents that currently live on Hurricane Road.
