To: Commissioner Youngblood

We, the Lakeview Fire Protection District, would like to request some help to pave our parking lot at Fire Station # 1 on Phyllis Drive. As you well know, we have a voting poll here each election and numerous community events. At this time we have a gravel / grass parking lot. Some voters have a hard time getting wheel chairs and walkers through the gravel. Any help in this matter would greatly be appreciated.

Thank you, Commissioner Youngblood and the rest of our fine County Commissioners for your time and consideration in this matter.
