SURFACE USE AND ROAD RELOCATION AGREEMENT
BETWEEN TUSCALOOSA COUNTY AND SOUTHLAND RESOURCES, INC.

Come now, SOUTHLAND RESOURCES, INC. (hereinafter referred to as "Southland") and TUSCALOOSA COUNTY, ALABAMA by and through the TUSCALOOSA COUNTY COMMISSION (hereinafter referred to as "the County") and enter into this Surface Use and Road Relocation Agreement as follows:

1. Southland is an Alabama corporation operating coal mining facilities within Tuscaloosa County, Alabama.

2. The County owns certain road rights-of-way and public rights-of-way in an area sought to be mined by Southland.

3. Southland has expressed an interest in exercising its rights to minerals which lie in close proximity to and beneath the rights-of-way of the County. In order to properly excavate and mine said minerals, certain roadways and rights-of-way will need to be excavated and removed to allow access to the minerals beneath said rights-of-way. The County has agreed to the temporary relocation of the road commonly known as the Kellerman Burchfield Road as shown on Exhibit "A".

4. Upon completion of said mining activities, Southland shall restore the Kellerman Burchfield Road in its original location and further restore and reclaim the surface of the County rights-of-way in accordance with all applicable state, Federal and local regulations.

5. Both the temporary road constructed pursuant to this Agreement and the final reconstruction of the Kellerman Burchfield Road shall be completed in accordance with existing Tuscaloosa County regulations, and the ALDOT standards for road construction, and shall include all recommended signs and markings as determined by the County Engineer.

6. Furthermore, prior to the closure of the Kellerman Burchfield Road and diversion of traffic to the temporary relocation of Kellerman Burchfield Road, the County engineer shall inspect and approve such relocation to determine its compliance with Tuscaloosa County regulations and to ensure the safety of the public traveling upon said temporary roadway.

7. Furthermore, prior to the reopening of the Kellerman Burchfield Road after it has been reconstructed, said roadway shall be inspected by the Tuscaloosa County engineer to confirm that it has been constructed in conformity with the Tuscaloosa County regulations, and ALDOT standards and is safe for travel by the public upon said roadway.

8. In order to secure the performance of the obligations of Southland in this Agreement, Southland shall post a bond to be approved by Tuscaloosa County prior to any work being performed in the amount of \$60,562.00 to secure the costs to reconstruct the existing Kellerman Burchfield Road after the mining is completed, pursuant to said Agreement. Said Bond will be released upon final inspection and approval by the County Engineer.

9. Compensation: Southland will pay the County, as the surface owner, a 5% royalty on the actual coal removed from the right-of-way. The estimated tonnage is approximately 8720 with an average sale price of \$55.00/ton. The total estimated royalty to the County would be approximately \$23,980.00.

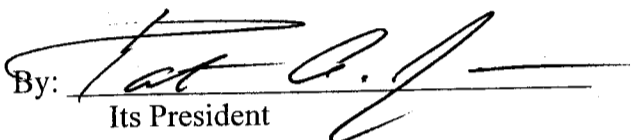

10. Both parties agree to execute any documents necessary to effectuate the terms and conditions of this Agreement.

11. This Agreement shall represent the entirety of the negotiations and agreement of the parties and shall only be modified or supplemented in writing.

12. Should any of the terms, clauses, paragraphs or conditions of this Agreement be declared vague, ambiguous or otherwise unenforceable, the remainder of this Agreement shall remain in full force and effect.

WHEREFORE, the parties have hereunto affixed their hands and seals on this the 30th day of Nov 2009.

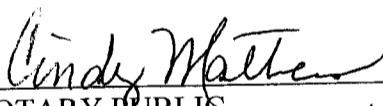

SOUTHLAND RESOURCES, INC.

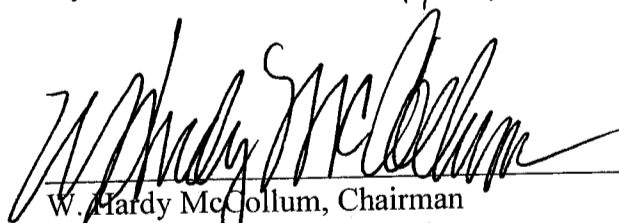

By: 
Its President

STATE OF ALABAMA §
 §
COUNTY OF TUSCALOOSA §

I, the undersigned, a Notary Public in and for said County in said State, hereby certify that Pat A. Jones, whose name as President of SOUTHLAND RESOURCES, INC. is signed to the foregoing instrument and who is known to me, acknowledged before me on this day that, being informed of the contents of the instrument, he/she, as such officer and with full authority, executed the same voluntarily on the day the same bears date for and as an act of said corporation.

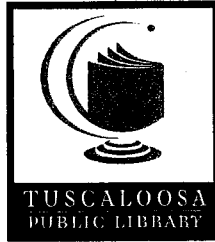

Given under my hand and official seal this the 30th day of Nov, 2009.

NOTARY PUBLIC
My Commission Expires: 4/27/11

November 2, 2009

The Honorable Judge Hardy McCollum

Dear Judge McCollum:

As Vice-Chairman of the Board of Trustees of the Tuscaloosa Public Library, it has come to my attention that the term of office of County appointee Ms. Sherie Giles is due to expire in November, 2009.

The Board would like to ask the County Commission to re-appoint Ms. Giles to our Board. She has been a valuable member of the Board and is currently serving in her second year as Chairman. She has indicated that she is willing to continue to serve if it is the desire of the Commission to re-appoint her.

This Board remains committed to creating the best possible Library to serve all the citizens of our area. We greatly appreciate the help that you have given in attaining this goal.

Thank you for considering this re-appointment.

Sincerely,

*Horace Allen*₁₅

The Honorable Judge Hardy McCollum
P.O. Box 20067
Tuscaloosa, AL 35402

Dear Judge McCollum:

Recently, County Appointee Donna McCallister resigned her position on the Tuscaloosa Public Library Board. Her work and family commitments did not allow her to continue to be an active part of the Board. She was an excellent Board member and we will miss her. Her term of office was to expire in November, 2011.

The Board would like to present the name of Laura Aaron to complete Mrs. McCallister's term. Mrs. Aaron is Executive Vice President and Chief Deposit Officer at The Bank of Tuscaloosa. She is very active in the community, serving on the boards of the Tuscaloosa Noon Rotary Club, the Literacy Council of West Alabama, and as President of Big Brothers Big Sisters of West Alabama. A copy of her resume is attached.

Because of her work in the community, especially through the Literacy Council, and because she represents a younger segment of our population, one which is not adequately addressed on our current Board, the Board joins me in highly recommending Mrs. Aaron to you for your consideration in filling this appointment. Mrs. Aaron has indicated that she is willing to serve, if it is the Commission's desire to appoint her.

This Board remains committed to creating the best possible Library to serve all the citizens of our area. We greatly appreciate the help that you have given in attaining this goal.

Thank you for considering this appointment.

Sincerely,

Laura Aaron is a graduate of the University of Alabama at Birmingham, the University of Colorado Graduate School of Banking and Leadership Tuscaloosa. She was recently promoted to Executive Vice President and Chief Deposit Officer at The Bank of Tuscaloosa where she has worked since 1992. Her current duties include management of the deposit portfolio as well as interest rate risk. She also is responsible for deposit and cash management operations and sales. She chairs the bank's Asset Liability Committee.

She has formerly been a member of the Finance Committee of the Chamber of Commerce, Pilot Club of Northport, American Society of Women Accountants, Ronald McDonald House Charities Board, and Tuscaloosa County Crime Stoppers Board and has served as an Accounting Instructor for the American Institute of Banking. She currently serves on the Board of the Tuscaloosa Noon Rotary Club, The Faucett-Vestavia Elementary PTO Board, The Literacy Council of West Alabama and as President of the Board of Big Brothers Big Sisters of West Alabama.

She and her husband Michael have three children, Logan Rigsby, Davis Aaron, and Laura Beth Aaron. They attend University Church of Christ.
