RE: Ronald Jones vs. Tuscaloosa County

Gentlemen,

Ronald Jones filed suit against Tuscaloosa County in District Court claiming \$2,500.00 in damages to his water pipes which he claims occurred during the clean up after the tornado in December 2000. The case was tried before Judge Chandler, and the Judge has issued a ruling in favor of the Plaintiff, and ordering the County to pay \$1,900.00 and court costs. I have only fourteen days in which to appeal this case. If you would like for me to file an appeal, please let me know at your earliest convenience.

Sincerely,

Robert M. Spence
