Commissioner Reginald Murray

Dear Commissioner Murray:

Ms. Connie Hopkins of 16960 Rowland Drive Buhl AL, 35446 is requesting your assistance with her driveway in making it less dangerous. Ms. Hopkin's driveway is being washed out due to the rain. The condition of the driveway causes hardship for myself and other health care professionals to provide her with much needed services.

Ms. Hopkins receives weekly services with the Medicaid Homebound Program and also weekly services with Tuscaloosa Co. Home Health due to her health problems. If it were to rain heavily, and there were to be a medical emergency, Ms. Hopkins would have a problem getting out of her driveway. This can also be a problem for someone trying to get to her.

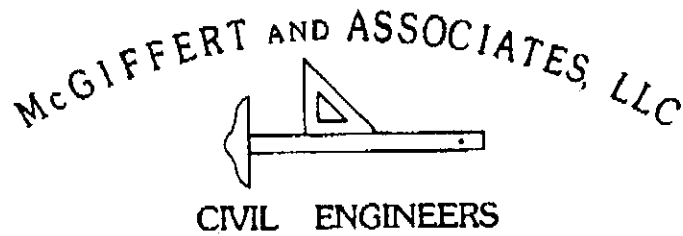

I will greatly appreciate your assistance in helping to get Ms. Hopkin's driveway scrapped. In doing so, this will be of great benefit to Ms. Hopkins, myself and other Health Care Professionals. Your prompt assistance in this matter is much appreciated. If you have any questing please phone me at (205) 554-5420.
