Re: EPA Special Appropriations Grant #XP97475003-0, Holt Sanitary Sewer Extension Project, Amendment Request

Dear Mr. Holroyd:

Regarding the referenced project, The Tuscaloosa County Commission respectfully requests a time extension until April, 2006. It is anticipated that all construction work will be completed, final disbursement of funds made and closeout documentation submitted to EPA and ADECA by this revised date.

Also, please remove the budget line item of \$10,000.00 for right-of-way as this amount will be utilized under construction.

If there is any additional information which you need or if you have any questions, please contact me at your earliest convenience.

Yours truly,

ALABAMA DEPARTMENT OF TRANSPORTATION
CONSTRUCTION CHANGE REQUEST

Project No.: ST-063-888-024
County: Tuscaloosa

Change Request No. 03
Date: January 14, 2005

The following changes on the above numbered project, with stations, quantities and items involved, are recommended for the reasons stated below:

(1) Location, Description and Reason for Change

- 1. From station 264+71 rt. to station 336+63 rt., chain link fence is needed for the Alabama Department of Mental Health property, which was agreed upon but not included in the contract.
- 2. At stations 283+30, 313+30, and 328+80, chain link fence gates will be needed for access to existing entrance roads to the Alabama Dept. of Mental Health property.
- 3. At various stations throughout the project, gates that were omitted from the summary of quantities need to be added for access to properties enclosed by fence reset (Item 637A-001).
- 4. From stations 300+00 to 307+00 and 311+50 to 314+00, vegetation is needed for visual and sound barrier effects for the Alabama Dept. of Mental Health property.

To Whom These Presents Shall Come — Greetings

WHEREAS, February 13-19, 2005 has been designated Career/Technical Education Month by the Alabama Department of Education; and

WHEREAS, profound economic and technological changes in our society are rapidly reflected in the structure, nature of work, and academic requirements, thereby placing new and additional responsibilities on our educational system; and

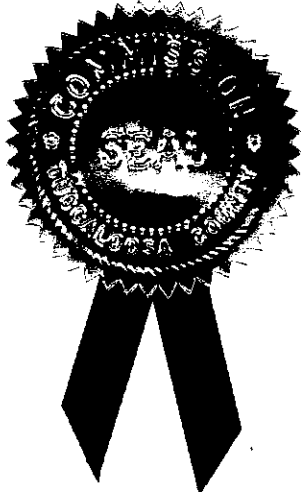

WHEREAS, the vision of Career and Technical Education is to be a rigorous progressive, and vital part of the total educational system that provides students with life skills and prepares them as a workforce that meets or exceeds business and industry standards; and

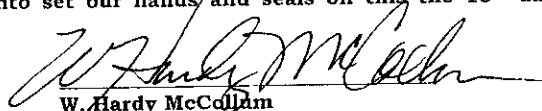

WHEREAS, the goals of Career and Technical Education are to improve the image of Career and Technical Education; provide relevant and focused professional development; establish and maintain effective partnerships to promote workforce development; provide leadership for the continuous development and utilization of rigorous, progressive, and research-based career and technical education curricula; recruit and retain highly qualified career and technical education teachers and administrators; increase the academic skills of career and technical education students; meet or exceed the minimum requirements of state and federal legislation; improve articulation with postsecondary education; and enhance and support the use of technology; and

WHEREAS, Career and Technical Education programs strive to keep pace with the speed of change in business and industry and have developed courses of study that model the above requirements.

NOW, THEREFORE, BE IT RESOLVED, the Tuscaloosa County Commission does hereby recognize and support Alabama's Career/Technical Education program as a viable program for all students upon which meaningful careers can be established and lifetime goals can be achieved.

IN WITNESS WHEREOF, we have hereunto set our hands and seals on this the 16th day of February, 2005.

To Whom These Presents Shall Come — Greetings

WHEREAS, severe weather can threaten the safety of citizens and cause injuries, loss of life and destruction of property at any time of the year with potentially devastating results; and

WHEREAS, Tuscaloosa County has suffered from the repeated ravages of tornadoes, severe thunderstorms, floods and other severe weather events leaving hundreds of fatalities, thousands of injuries and hundreds of millions of dollars in damage since records began being kept in 1842; and

WHEREAS, experience has demonstrated that a well-informed and prepared public can better cope with and survive severe weather events; and

WHEREAS, severe weather events can strike with little or no notice, it is imperative that citizens develop personal safety measures at home and work, including the ability to receive weather watches and warnings in a timely manner.

NOW, THEREFORE, we, the members of the Tuscaloosa County Commission do hereby proclaim February 14 - 18, 2005 to be

"SEVERE WEATHER AWARENESS WEEK"

in Tuscaloosa County and remind all residents to be prepared for the primary severe weather season during the months of March through May and learn the safety actions that may be taken to save lives and reduce property damage.

IN WITNESS WHEREOF, we have hereunto set our hands and seals on this the 16th day of February 2005.
